

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2964/P2dn
ARG:cjs:jf

August 31, 2005

ATTN: Jenny Toftness

The attached draft makes two changes to LRB-2964/P1. It allows "Class A" licensees (typically liquor stores or grocery stores selling liquor) to provide taste samples, in limited quantities, of any intoxicating liquor. Under current law, such licensees may only provide taste samples of wine. In reading this provision, please keep in mind that, by statute, wine is a type of intoxicating liquor.

The attached draft also removes the "fruit juice" limitation at p. 3, line 2, of the "/P1" draft. This considerably expands the exception.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
